Turn it up, turn it so loud
It don't ever stop
No no no no
Turn it up, makes me so proud
I believe in this feeling
Well you've lost all the things
That sharing could bring
Thought you were doing right
But violence and flames
And torches and chains
Are fuelling
These new northern lights
Like prisoners working
On infertile land
Took eight years
To find out the score
If you're sick then you're lonely
Out of work then you're hungry
The sentence is four years more
Turn it up, turn it so loud
It don't ever stop

No no no no

Turn it up, makes me so proud

I believe in this feeling

Turn it up, turn it up

Right up, right up

Who says poverty and race

Can be kept in their place

By keeping it

All underground

And ruling the country

Are unfaithful husbands

Who spank little boys

Gagged and bound

There's got to be a better way

For you and for me

To turn this hypocrisy round

The growth of a nation

Cannot be achieved

By keeping

The downtrodden down

Turn it up, turn it so loud

It don't ever stop

No no no no

Turn it up, makes me so proud

I believe in this feeling

Turn it up, turn it up

Right up, right up
