I wanna look into your eyes again

I wanna look into the windows of your soul...again,
again

Who's to know where time will lead us now?

I can't believe this is happening now

I'm not scared, I'm just wondering how

I wanna see your eyes

All the time we've shared between us now

The feeling I have needs me to make a vow

Now as I leave I must return somehow

Cause I wanna see your eyes

When I look at you I fumble, my confidence takes a
tumble

But when I look into your eyes, I just crumble

'Cos I know that it's you that my heart burns for

That it's you that I'm yearning for

Who's to know where time will lead us now

I can't believe this is happening now

Well I'm not scared, I'm just wondering how

I wanna see your eyes, I wanna make it right
