Where You Go, I Go Too (Kuda ty, tuda ya)

Where where yeah yeah
The rains go, I don't know...
Where where yeah yeah
The leaders lead, I don't know...
But I know one thing, I know one thing...

Where I go, you go too
Where you go, I go too
You and I are not on "you" terms
You and I are on "I" terms

Where where yeah yeah
The days go back, I don't know
Where where yeah yeah
We are driving at, I don't know
But I know one thing, I know one thing...

Where I go, you go too
Where you go, I go too
You and I are not on "you" terms
You and I are on "I" terms
Where I go, you go too
Where you go, I go too
You and I are not on "you" terms
You and I are on "I" terms

Where where the water
And ground run off, I don't know
Where where where
They run from themselves, I don't know
But I know one thing, I know one thing...

Where I go, you go too
Where you go, I go too
You and I are not on "you" terms
You and I are on "I" terms
Where I go, you go too
Where you go, I go too
You and I are not on "you" terms

You and I are on "I" terms
