I'm waiting for your love  
waiting for your love  
waiting for your love

Sometimes I wonder  
where you are,  
I feel you near  
yet so far

Will you adore me  
simply just hold me,  
So won't you just please come  
(won't you just please come)

I'm waiting for your love

There's a place I know  
felt it inside my soul,  
you call my name  
whispering yours

Let me hold you  
simply adore you,  
feel it with my heart  
(feel you in my heart)

Sometimes I see your face in the corner of my mind  
and try to grasp what I've seen leave behind

I'm waiting for your love
