Here we go again this time i call names
everbody in the 516 whos running games
claimin you stars and runnin your mouth
but when the words fall out they hittin the ground
you got stakes to claim, but u reppin to far
and everybody in their hood wanna be a star
yeah, wanna be a star

they wanna be a star
well ill get right to the point
like them cats who talk about you when they smokin a

they always rhymin about shit and they aint saying
nothin
livin in their mamas attic and that ain't sayin nothin
something about the jump off
well sh*** about to change
ill be reppin LI till I'm layin in my grave
you can catch me on or workin for minumum wage
its a minumum phase and the minute i blaze
you might catch me with your girl
in the back of someones else's house

here we go again this time i call names
everbody in the 516 whos running games
claimin you stars and runnin your mouth
but when the words fall out they hittin the ground
you got stakes to claim, but u reppin to far
and everybody in their hood wanna be a star
yeah, wanna be a star

you were done before it starts
damn stop fallin short
jaw all on the floor
looking at the stars
when you peep this flow
516- go lock them doors
6 more seconds and got them drawers more wetter
than them faces fillin funetral parlors as i'm kickin in
doors

waving the full four all you heard was ricky dont hit me
no more like biggie smalls raw keep your head on the
floor
dont look back hold your head down its a robbery
i use reverse psycology to change your ideology
bhaze go ahead kick them caskets

here we go again this time i call names
everbody in the 516 whos running games
claimin you stars and runnin your mouth
but when the words fall out they hittin the ground
you got stakes to claim, but u reppin to far
and everybody in their hood wanna be a star
yeah, wanna be a star
