I breathe easily when it comes to the mic  
Let the devil dance to the moon light  
The underground river runs deep  
In the past borrows

Never know how long you  
Come to another level  
7 Profitz  
Gonna bring it to you  
Bring it to you  
I'm checking on my mic  
But I just don't hear my voice tonight  
It's gonna be a long time  
I'm coming home on the phone  
I don't hear from you  
But you tell me this is not the truth  
I don't really know what I have to say  
So don't punish me anyway tonight  
7 Profitz gonna bring it to you  
That's true  
7 Profitz gonna bring it to you  
That's true  
1, 2, 3  
1, 2, 3

I just want to f'n free style freely  
But here I am shaking in my boots  
And into my bones  
I don't know what to say  
But I'll say it anyway  
Who's the king I'll tell ya  
Who's the king I tell you wanna know  
Who's the king I'll tell ya  
Who's the king  
He's got the illest flow  
I'll tell ya  
Who's the king if you wanna know  
You wanna know  
Cause it ain't you  
You can't crown yourself, no  
Long Island let me here it  
Where's the unity in today  
Everybody's running 'round

Like you got something to say  
Made a track about 5-1-6  
And what the hell?  
Everybody thinks its about them  
I guess its all well

Well here's the truth for you  
You want me give it to you  
You wanna know  
You wanna know the truth

7 Profitz  
The only one  
7 Profitz  
2009  
See see 7 Profitz  
7, 7, 7
