Elle Madison:

On Long Island  
Surrounded by water  
Never sleep cause on my grind  
To bring this higher  
The New World Order  
Will never stop my day (x2)

Up Hempstead Turnpike is where I constantly Be  
Or in the subway in Queens, Headed to Manhattan  
On the way back hit the L.I.R.R.,  
Then I'm back in the 516  
You are in the 212, 718, way out in 631 (Suffolk County)  
From the top of the Empire  
All the way to Montauk  
You can find that New York talk  
Queens, Brooklyn the Bronx, Staten, and Manhattan,  
And you thought I forgot about Strong Island  
Never that  
It couldn't happen without Hip-Hop  
Underground Hip-Hop,  
Got L-O-N-G-I-S-L-A-N-D on lock constantly

Apademik:

I'm from a place outside the city with picket fences and  
all  
Where white kids go to hang out at the Smithaven Mall,  
Port Jefferson, West Hempstead, and Huntington  
Station,  
Many people from Long Island have been embraced by  
the nation  
Rolling on the Southern State, Jones Beach in the  
summer  
People bugging everywhere, rich cats driving  
Hummers  
Got Terrace Ave it's hot, Hip-Hop, Main Street in

Smithtown  
We got the Cop Shop  
7 Profitz it's not, less than a lot  
And we starting at the bottom, but we reach for the top  
Renamed Strong Island, for the peoples resilience  
When Long Island makes a Track the outcome is  
brilliance  
Long Island Newsday, Long Island Iced Tea, Long  
Island Expressway  
Don't ride the HOV  
And I'm writing this story to spread Knowledge I've  
grown  
Signing off the 7 Profitz Long Island's own...
