Take One Step  
We're almost there  
Don't you dare become a don't you  
Take one step into the goal  
Don't you dare, no don't you fold  
(Do it again)  
7 Profitz On the Rise  
(Brought 2 of my friends)  
7 Profitz On the Rise  
(LI to NY)  
7 Profitz On the Rise  
(LI to NY)

(Repeat Chorus)

I ain't looking for beef  
I'm just looking for Peace  
Doing it like that  
Sun Repping the East  
Like when it started  
I think 12 years ago  
It was something like ECP in my flow  
Oh, that was it, I remember  
It was cold outside  
It was December  
I got in the Studio '98  
I started rhyming, cats, cats  
Thought it was great  
I thought it was fate  
It was my mission  
Military mind, Military disposition  
Infantry Soldier, trained to  
That's the only thing that would make me chill  
Was grabbing a mic  
Getting in the Lab  
Doing it like that  
Happy, So sad.  
Grab a Table, cut it on up  
Grab a Table, cut it on up

(Repeat Chorus)

Verse 2:

Get back on stage

Bless it to death

Bless it to death

Bless it to death

Get back on stage

Bless it to death

Bless it to death

Bless it to death

(Chorus)
