"Still On It"

I just can't stand around and play along like good dogs
do
Cause when i live the lie i know my time here is all
through
We all try cutting corners
Yeah we all prefer the ease
But i can't see above the fray when i'm down on my
knees

Don't worry, i'm still on it, on it
Still strong and on it, on it
This song goes on and on and on

Don't worry, i'm still on it, on it
Still strong and on it, on it
This song goes on and on and on

I won't pretend to be some hardcore tough guy cause
i'm not
But my strength comes from what's inside
My heart is all i've got
It may not be too thug-like and i may not win the fight
At least i'll know i've done my best and what i thought
was right

Don't worry, i'm still on it, on it
Still strong and on it, on it
This song goes on and on and on

Don't worry, i'm still on it, on it
Still strong and on it, on it
This song goes on and on and on

Woah! wooah! woah! wooah! wooah!!

Don't worry, i'm still on it, on it
Still strong and on it, on it
This song goes on and on and on

Don't worry, i'm still on it, on it
Still strong and on it, on it

This song goes on and on and on
