Raindrops cleanse my soul until the roof stops,
My Heart skips a beat and I know that it's up from here.
Up, Up, Up, Up, Up, Go Up, Up.
It's up from here,
There's only one way, left to go.
It's up from here, Up, Up, Up, Up, Up.
It's up from here,
There's only one way, one way, one way, one way.
There's only one way left to go, it's up from here.
It's up from here. It's up from here.
There's only one way left to go, it's up from here,
It's up from here. It's up from here.

Raindrops cleanse my soul until the roof stops,
My heart skips a beat, and I know that it's up from here,
