ASCAP

Well I'm ready to rock, and my temperature's hot, baby
I said I'm ready to go, ain't never gonna stop
But can you feel the beat girl, can never get enough of
that
Ooh, anything you want, you got it, you know that I...
I ain't gonna mess around, and I'll never put you down
So if you want it, yeah, anything you want, you got it,
look out

The place is gonna shake now, girl can you feel the
thunder
I'm shootin' from the hip girl, you better run for cover
But if you wanna take a chance, just tell me and I'll
know what to do
Ooh, anything you want, you got it
I ain't gonna mess around, and I ain't gonna put you
down, no
If you want it, yeah, anything you want, you got it

That's right, I say you want it, yeah, anything you want,
you got it

Do you want it, yeah
Baby do you want it, yeah
Do you want it, yeah, you got it

Now given half a chance girl, we'll take it all the way
We're reaching for the top, and force a power play
We're gonna rock tonight, can never get enough of that
I said ooh, anything you want, you got it, you know that
I...
I ain't gonna mess around, and I ain't gonna put you
down
So if you want it, yeah, anything you want, you got it
Girl if want it, yeah, anything you want, you got it
So do you want it, yeah
Well baby, do you want it, yeah
Oh girl, do you want it, yeah, alright
