Seems as though I've lived my life on the bad side of
the moon

To stir your dregs, and sittin' still, without a rustic
spoon

Now come on people, live with me, where the light has
never shone

And the harlots flock like hummingbirds, speakin' in a
foreign tongue

This is my life, this is my life, this is my life, my life

This is my life, this is my life, this is my life, my life

It seems as though I've lived my life on the bad side of
the moon

To stir your dregs, and sittin' still, without a rustic
spoon

Now come on people, live with me, where the light has
never shone

And the harlots flock like hummingbirds, speakin' in a
foreign tongue

I'm a light world away, from the people who make me
stay

Sittin' on the bad side of the moon

This is my life, this is my life, this is my life, my life

This is my life, this is my life, this is my life, my life

There ain't no need for watchdogs here, to justify our
ways

We lived our lives in manacles, the main cause of our
stay

And exiled here from other worlds, my sentence comes
to soon

Why should I be made to pay on the bad side of the
moon

I'm a light world away, from the people who make me
stay

Sittin' on the bad side of the moon

This is my life, this is my life, this is my life, my life
This is my life, this is my life, this is my life, my life
This is my life, this is my life, this is my life, my life
This is my life, this is my life, this is my life, my life
This is my life, this is my life, this is my life, my life
This is my life, this is my life, this is my life, my life
This is my life, this is my life, this is my life, my life
This is my life, this is my life, this is my life, my life
This is my life, this is my life, this is my life, my life
This is my life, this is my life, this is my life, my life
This is my life, this is my life, this is my life, my life
This is my life, this is my life, this is my life, my life
This is my life, this is my life, this is my life, my life
This is my life, this is my life, this is my life, my life
This is my life, this is my life, this is my life, my life
This is my life, this is my life, this is my life, my life
This is my life, this is my life, this is my life, my life
