I've been ready, with lovin'on my mind

Don't say you're not that kind

My love, we've been through this before

It seems you're back for more

Of my love, its forever

Ooh baby forever, forever for now

I said baby, I'll give you all I can

And I hope you understand, my love

And you, you mean so much to me

But darling can't you see

That my love is forever

Ooh baby forever, forever for now

Ooh baby for now, I said my love is forever

Ooh baby forever, forever for now, my love

Come on baby you know I'd love to turn you on

Tomorrow I may be gone

But my love, that's forever

Ooh baby forever, forever for now

Ooh baby for now, I said my love is forever

Ooh baby forever, forever for now

Ooh baby forever, and ever, and ever, now

My love is forever

My love is forever, and ever, and ever, and ever

Oh, oh oh, yeah, yeah, yeah, yeah

My love is forever

My love is forever, and ever, and ever, and ever
