Well the super models in those magazines  
They've been to places that I've never SEEN  
Well they look so nice out on some sandy beach  
But for me I've always found it out of reach

Oooooooooo take me on a holiday  
Oooooooooo I need a holiday

The hotel AT LYFORD KEY would be alright  
We could always catch an early mornin' flight  
I'VE SEEN PICTURES OF IT in a movie scene  
But its just another place I've never been

Oooooooooo take me on a holiday  
Oooooooooo I need a holiday

I call you up on your telephone  
And leave a message there since your not home  
I've got to go I've got to get away  
Please come and take me on a holiday  
Oooooooooo take me on a holiday

Last nite I dreamed I was in Sante Fe  
And then went on a flight to San Jose  
Well I know that you don't really like to fly  
But to see the world maybe you'd like to try

Oooooooooo take me on a holiday  
Oooooooooo I need a holiday  
Oooooooooo take me on a holiday  
Need a holiday  
Holiday  
Holiday  
Holiday
