I don't want you to be no flame
I don't want you to work all day
I don't want you to be true
And I just wanna make love to you

(Love to you)
Love to you
(Love to you)
Love to you

(Love to you)
Love to you
(I just wanna make love to you)

I don't want you to wash my clothes
I don't want you to keep a home
I don't want your money too
And I just wanna make love to you

(Love to you)
Love to you
(Love to you)
Love to you

(Love to you)
Love to you
(I just wanna make love to you)
Hey baby, love to you

And I can tell by the way you swish and walk
I can tell by the way you baby talk
And I can know by the way you treat your girl
I can give you all the lovin' in the whole wide world

All I wanna do is cook your bread
Just to make sure you're well-fed
I don't want you sad and blue
And I just wanna make love to you

And I wanna love, alright
I wanna love you, baby, yeah

All I wanna do is cook your bread
Just to make sure that you're well-fed
I don't want you sad and blue
And I just wanna make love to you

(Love to you)
Love to you
(Love to you)
Love to you

(Love to you)
Love to you
(I just wanna make love to you)
(Love to you)

Love to you
Love to you
I just wanna make love to you
Love to you

Love to you
Love to yo
I just wanna make love to you
Love to you
Love to you
