ASCAP

Time and time again I see
A love that seemed strong, was not meant to be
Broken hearts don't always mend
Left too unsure to try love again

Just between you and me
Baby I know our love will be
Just between you and me
Always I know our love will be
Just between you and me

Lovers often seem to say
Hearts can be blind to love gone astray
Always it's the same old song
Someone's been hurt by a love that's gone wrong

Just between you and me
Baby I know our love will be

Just between you and me
Always I know our love will be
Just between you,
Just between you and me

Words are sometimes hard to find
The silence can be so unkind
You always help me find my way
The love that we share grows stronger each day

Just between you and me
Baby I know our love will be
Just between you and me
Always I know our love will be
Seulement entre toi et moi
Means that our love will always be
Just between you and me
Baby I know our love will be
Just between you,

Just between you and me
