Published by Summerlea Music, Ltd. - BMI

Alive and jivin', bareback ridin', anything to tease you
We rant and rave, the world to save, anything to please
you

Now all night long we roll along, we ain't in bed till
seven

I know damn well we're goin' to hell, can't pay the price
in heaven

Ooh, ooh, ooh ooh, just like that

Ooh, ooh, ooh ooh, just like that

They say we're no class, man are they crass, smiles
upon their faces

We're glad to be this way you see, we have no need for
crazes

Ooh, ooh, ooh ooh, just like that

Ooh, ooh, ooh ooh, just like that

We're rock 'n' roll children tonight

We're gonna rattle everything in sight

Look out ma, the hooligans are rolling tonight

We've been gone a long long time, and I only want to
see you

I'm headin' home and all alone, you know how much I
need you

Ooh, ooh, ooh ooh, just like that

Ooh, ooh, ooh ooh, just like that

We're rock 'n' roll children tonight

We're gonna rattle everything in sight

Look out ma, the hooligans are rolling tonight

We're rock 'n' roll children tonight

We're gonna rattle everything in sight

Look out ma, the hooligans are rolling tonight

Ooh, ooh, ooh ooh, just like that

Ooh, ooh, ooh ooh, just like that

Ooh, ooh, ooh ooh, just like that

Ooh, ooh, ooh ooh, just like that
