Written by: Myles Goodwyn

Listen mister I can not see Any reason for lyin' I can see inside your head To the back of your mind, yeah

Get it together Get it together before you lose

Get it together Get it together before you lose

Here I am on my knees And not afraid of dieing Suddenly it occurs to me There was really no sense in trying

Yes I know it seems strange to you But it's our way of living I can't see for the life of me Why you're so afraid to reason

Listen mister I can not see Any reason for lyin'

Things just aren't like they use to be nd there's no sense in tryin'

Get it together Get it together before you lose

Get it together Get it together before you lose

A good reason I cannot see

A good reason I cannot see A good reason I cannot see A good reason I cannot see A good reason I cannot see A good reason I cannot see
