Written by: Jim Vallance

It's been a long time since we been travellin' down  
On the wrong side of your love  
But I don't care if you think I'm wasting my time  
You're the only one I'm thinkin' of  
Well I spend my whole life travellin' around  
From town to town and I need

Open soul surgery  
Open soul surgery  
Yeh I need surgery  
Open soul surgery

Ooh, yeh

When you were 18 I took you from your mama & sister  
As you didn't need that kind of protection  
Now I hate to see you comin on like some kind of bitch

'Cos your life ain't what you're expectin'  
Well I spend all my time just chasing you down  
And now that I found you I need

Open soul surgery  
Open soul surgery  
Yeh I need surgery  
Open soul surgery

Somebody help me now

And now the pressure's on  
I don't know right from wrong  
I live in desperation  
I can feel the heat  
Now that I'm on the street  
For what you've done to me  
And I'm gonna need

Open soul surgery  
Open soul surgery  
Yeh I need surgery

Open soul surgery
