Oh, Alright

Going to catch a flight to Nevada.  
Leaving friends at home in LA.  
Seven from Eleven of Black Jack.  
Gambaling night and day.Yeah!

'Cause she's a roller now.  
A high roller, baby she is.  
She's a roller yeah.  
A high roller baby.Alright!

She likes to play for double or nothing,  
She's telling all the boys she's hot.  
And everybody knows that she's ready.  
To give it everything she got. Ohhh...

She's a roller yeah.  
A high roller baby, my my.  
She's a roller yeah.  
A high roller baby.

My My My My My...

People try to tell her she's crazy.  
She doesn't hear a word they say.  
Telling all the boys to get ready.  
'Cause she's giving it all they way.

She's a roller yeah (roller)  
A high roller baby.Yeah!  
She's a roller (roller)  
A high roller baby. She is.  
She's a roller yeah (roller)  
A high roller baby.  
She's a roller (roller)  
A high roller baby.
