(Myles Goodwyn)

Published by Slalom Publishing Co. - BMI

I got somethin' to keep you satisfied
So won't you excuse me, while I slip inside
I ain't gonna rush things, you know I ain't no speed
freak
And I like to take my time whenever I eat

Cause I'm just a slow poke, uh-huh, with long strokes
I said I'm just a slow poke, baby
And I like to take my time, poke on

I'd like to see you with the lights turned down
And I'd like to see you when you go down
I'm gonna be there, right by your side
I'm just gonna hang on, and let you take me for a ride
So how 'bout a slow poke, uh-huh, with long strokes
I said how 'bout a slow poke, baby
I like to take my time, alright

I'd like to poke you right here on the floor
I ain't gonna stop none, till I hear you call for more
Then I'm gonna tease you till you're ready to scream
Then I'm gonna please you, it's gonna seem like a
dream

So how 'bout a slow poke, uh-huh, with long strokes
I said how 'bout a slow poke, baby
I like to take my time, poke on
