Published by MFG Sing Sing Music/SOCAN - ASCAP

Mystery woman, you play at night
Under darkness, you make everything alright
You wave your magic, and I'm in your spell
It may be trouble, but it's too soon to tell
I'll go out the back door, if only I could
Baby, you've been up to no good

It's a strange kind of love (strange love), that's leadin'
me on
Maybe I'll just hang out till dawn
It's a strange love, but it's feelin' so right
Maybe I should stay here tonight
It's a strange kind of lovin', alright

Call me, what you will
Say I must be crazy, to be addicted to the thrill
Of a mystery woman, with eyes of fire
Feelin' hopeless as the flames just grow higher
The other side of midnight, shadows dancing aglow
It's a place, where no man should go

It's a strange kind of love (strange love), that's leadin'
me on
Maybe I'll just hang out till dawn, yeah
It's a strange love, but it feels so right

Maybe I should stay here tonight
It's a strange kind of lovin', alright, strange kind of love

I don't need trouble, gettin' in my way
I got this feelin', that I should turn and walk away
You're an evil spirit, that's what you are
And I'm afraid you're gonna take things too far
You're tryin' to tell me somethin' babe, my mind's in a
haze
Excuse me, but I can't look away

Strange love, that's leadin' me on
Maybe I'll just hang out till dawn

It's a strange love, but it's feelin' so right
Maybe I should stay here tonight
It's a strange love, but I'm under your spell
Baby I just can't turn away
A strange love, ooh, but it's feelin' so right
Maybe I should leave here tonight
A strange kind of lovin', alright
A strange kind of love
A strange kind of love
A strange kind of love, yeah
A strange kind of love
A strange kind of love, baby
You're a strange kind of love, yeah
