(Myles Goodwyn)

Published by Slalom Publishing Co. - BMI

Red and yellow, seasons changin' gear, oh yeah
Giving her all I am, and reaching out for lovin' care
And you know she can feel it, oh yeah, you know she
doesn't have to try
Goin' on forever, oh yeah, knowing that's the reason
why, she said

Tonite is a wonderful time to fall in love, oh yeah
Tonite is a wonderful time to fall in love,
Let's fall in love, let's fall in love

The two of us together, oh yeah, doin' things the way
we do
And nothin' seems to matter, oh no, as long as I can be
with you
And you know she can feel it, cause that's the way she
likes to fly
Goin' on forever, oh yeah, and knowing that's the
reason why, she said
Tonite is a wonderful time to fall in love, oh yeah
Tonite is a wonderful time to fall in love
Tonite is a wonderful time, let's fall in love, oh yeah
Tonite is a wonderful time to fall in love
Let's fall in love, let's fall in love

Love is such a sweet thing, oh yeah, it's easy when you
realize
These moments are forever, oh yeah, it's magic and
it's in her eyes, she said

Tonite is a wonderful time to fall in love, oh yeah
Tonite is a wonderful time to fall in love
Tonite is a wonderful time, let's fall in love, oh yeah
Tonite is a wonderful time to fall in love
Let's fall in love, oh yeah, let's fall in love
Let's fall in love, oh yeah, let's fall in love
