Could have been alright, could have been here tonight  
Could have been sweet as wine, you could have been a  
lady

I could have been alright, I could have been here  
tonight

Could have been sweet as wine, you could have been a  
lady

They all need you, to make love to  
When you awake, you find them on the bed, lyin'  
beside you

They all love you, you're a good girl  
And I ain't surprised, when you realize, just where  
you're goin' to

You could have been alright, you could have been here  
tonight

You could have been sweet as wine, you could have  
been a lady

It could have been alright, you could have been here  
tonight

Could have been sweet as wine, you could have been a  
lady

If I told you, where you're goin' to

You'd laugh in my face, say I'm out of place, mind your  
business

And they all want you, to make love to  
It's ashame, the fate of the game, the way it delights  
you

You could have been alright, you could have been here  
tonight

You could have been sweet as wine, you could have  
been a lady

It could have been alright, you could have been here  
tonight

Could have been sweet as wine, you could have been a

lady  
Na, na na na na, na, na, na na na na, na  
Na, na na na na, na, na na  
Na, na na na na, na, na, na na na na, na  
Na, na na na na, na, na na  
Alright, you could have been here tonight  
You could have been sweet as wine, you could have  
been a lady  
It could have been alright, you could have been here  
tonight  
Could have been sweet as wine, you could have been a  
lady
