(Myles Goodwyn)

Published by Goody Two Tunes, Inc. - BMI

When I try to phone, they say you're not at home  
I don't believe that it's true  
And when we fool around, you always put me down  
Now what am I supposed to do

When you won't dance with me  
And you won't hold hands with me  
And that's not the way to be  
Girl, you're treating me bad

It's hard to say (it's hard to say)  
What I have to say (what I have to say)  
And I hope you understand (and I hope you understand)  
But Jill told Fred (but Jill told Fred)  
You wish I'd drop dead (you wish I'd drop dead)  
Now what am I goin' to do

When you won't dance with me

And you won't hold hands with me  
And that's not the way to be  
Girl, you're treating me bad  
So why should I bother to try  
And why should I cry  
When you don't want my love  
When you don't want my love

I used to walk you home, now I walk alone  
And it seems that you don't care  
And when we're at school, you say I'm a fool  
Why must you treat me so unfair

And you won't dance with me  
And you won't hold hands with me  
And that's not the way to be  
Girl, you're treating me bad  
So why should I bother to try  
And why should I cry

When you don't want my love  
When you don't want my love
