Friday night no plans are spoken
Divers options left wide open
I'm looking for some drive
My anxious spirit is deprived
Nine o' clock the phone's not rining
Thoughts in my head are spinning
Endless choices left for me, yeah

But I'll say no, when I want you
Yeah I'll say no, when I need you
Yeah I'll say no, when I'm hungry
Yeah I'll say no, when I'm dying

Don't need you right now
And I will find my way
Though I am walking blind
Yeah I will find the answers
Yeah, and find myself lost

I'll smoke a splif, I'll drink the booze
And get caught with no excuse
This must be what I want
Life is less than what I thought
I'll find some reason for my wrongs
Ignore all my problems
You'll still love me, right?
So why should I care tonight

I'll say no, when I want you
Yeah I'll say no, when I need you
Yeah I'll say no, when I'm hungry
Yeah I'll say no, when I'm dying

Don't need you right now
And I will find my way
Though I am walking blind
Yeah I will find the answers
Yeah, and find myself lost

Find myself x3

And I will find my way
Though I am walking blind
Yeah I will find the answers
Yeah, find myself still lost x2

Yeah, find myself lost
I'm still lost
