When I look at my life  
I see the hurt I try to hide  
Through the pains that brought me tears  
I've learned a vital thing this year

It was meant for me  
I am the luckiest  
It was meant to be  
I am the luckiest  
It was meant for me  
I am the luckiest  
The luckiest, yeah

I've seen sin at it's best  
Corrupting minds, leaving lives a mess  
But these chains that I once despised  
Have made me stronger and more wise

It was meant for me  
I am the luckiest  
It was meant to be  
I am the luckiest  
It was meant for me  
I am the luckiest  
The luckiest, yeah

I am the luckiest

It was meant for me  
I am the luckiest  
It was meant to be  
I am the luckiest  
It was meant for me  
I am the luckiest  
The luckiest, yeah

I am the luckiest  
I am the luckiest  
The luckiest
