They can try to test my belief in you
Oh God, but I won't turn away
They may throw stones and outcast me
For my belief in you
They can take what I own
But they can't take what I have inside
They can't take you away
I won't let go until you take me in your arms
Yeah, yeah, yeah

I will give all I have because of your sacrifice
Because the death of Jesus Christ
From the start you came and you loved me always
And I'll love you from here on

Though my memories may slowly slip away
Yeah, your love for me will always stay the same
Though my body may one day die away
My heart will always be yours until that day

They can take what I own
But they can't take what I have inside
They can't take you away
I won't let go until you take me in your arms
Yeah, yeah, yeah

I will give all I have because of your sacrifice
Because the death of Jesus Christ
From the start you came and you loved me always
And I'll love you from here on

Though my memories may slowly slip away
Yeah, your love for me will always stay the same
Though my body may one day die away
My heart will always be yours until that day

And if I go astray and if I run away
No you won't let go
No you won't let me slip away
And if I go astray and if I run away
No you won't let me slip away

Though my memories may slowly slip away
Yeah, your love for me will always stay the same
Though my body may one day die away
My heart will always be yours until that day

Though my memories, yeah yeah
Will always stay the same
Though my body may one day die away
Will always stay the same
