So here I am, beat and broken
Stretched apart from my heart and my conscience
Silent thoughts start circling around me
Faint whispers constantly remind me

Yes I love you, but it's so hard
To be standing with this torn heart
Ease my mind, make it clear
Cause I want to stay

And I fall in the middle of it all
Try to see in the darkness where I crawl
I fall in the middle of it all, of it all

And I'm stranded
Ease my mind, make it clear x2

So here I am, beat and broken
Stretched apart from my good intentions
I look at your face, beauty overwhelms me
But the whispers come back to haunt me

Yes I love you, but it's so hard
To be standing with this torn heart
Ease my mind, make it clear
Cause I want to stay

And I fall in the middle of it all
Try to see in the darkness where I crawl
I fall in the middle of it all, of it all

And I'm stranded
Ease my mind, make it clear x2

Ease my mind, make it clear

Ease my mind, make it clear
Cause I'm stranded x3

And I fall in the middle of it all
Try to see in the darkness where I crawl

I fall in the middle of it all, of it all

And I'm stranded x4
