I can feel it pumping through my veins  
I can feel my mind is off again  
I can feel it cutting through the pain  
And I like it, and I like  
But I can't change the way things are  
I can't make you love me  
I can't hide the bleeding scars  
And I like it, why do I like

Blind me, I don't want to see this  
Leave me, I don't want your kindness  
Numb me, I don't want to feel it  
My life is wasting away

My life is wasting away

So tell me sir with the Bible in your hand  
How can your God ever love this worthless man?  
A man so low he can't even love himself  
With his pistols and his pills lying on the shelf  
I can't save myself today  
I can't change my evil ways  
I can't ever be the same  
And I like it, why do I like

Blind me, I don't want to see this  
Leave me, I don't want your kindness  
Numb me, I don't want to feel it  
My life is wasting away

My life is wasting away

You can't imagine all the pain  
You can't make this go away  
Please sir, can't you find a way?  
How do I like it? My life needs to change  
You can't imagine all the pain  
You can't make this go away  
Please sir, can't you find a way?

My life is wasting away x5
