He's got those blue eyes  
Oh my, staring into me  
On my doorstep, he leans in  
I can barely breathe  
I'm in trouble, oh no  
'Cause I'm falling too fast, too far  
Lost in his arms

Look at me, wanna leap without looking  
My heart says yes when my head says I shouldn't  
I don't care, here I go  
Tell me does that make me crazy  
Maybe

He's got a wild streak  
It makes me think that I might too  
Got me doing things I thought I'd never do  
Living reckless 'cause his kiss  
Has had me on a high right from the first taste  
It might be too late

Look at me, wanna leap without looking  
My heart says yes when my head says I shouldn't  
I don't care, here I go  
Tell me does that make me crazy  
Maybe

Look at me, wanna leap without looking  
My heart says yes when my head says I shouldn't  
I don't care, here I go  
Tell me does that make me crazy

Look at me, wanna leap without looking  
My heart says yes when my head says I shouldn't  
I don't care, here I go  
Tell me does that make me crazy  
Maybe  
Yeah, maybe  
Does it make me crazy?
