This can never be the end.  
I cannot see past your pretend.  
I cannot let you go again.  
I'll never leave you in descent.  
What it is to scream for you.  
My love for this you'll never know.  
Tonight we lie. Embrace this night.  
Without warning unfolds the light.  
Our worst nightmares approach our eyes.  
What it is to scream for you.  
My love for this you'll never know.  
I watched as you fell from grace.  
Through dreams I still scream for you.  
I cry my last goodbyes.  
Without you here there grieves no light.  
There is no life left in her eyes.  
Dance for me.  
Pray for me.  
Come to me love.  
In my dreams I will see you, believe you are here with  
me.  
Still, you love me.  
Not by your own you fell from this place.  
Up above you will watch over me.  
You will see how we live, how we lie to the ones that we  
love.  
I can't live without you.  
God, help me. I can see you. I breathe you. I pray for  
you.  
Please come to me. Come to me.  
Dance for me.  
I still see you in my dreams.
