So write this down  
This is the last time that you'll hear my voice  
So write this down

Hiding behind the bruises of life  
That never seem to fade  
Over this sea of never ending circumstance

Gone without a home and  
Searching for a way, yeah  
To break the strings that  
Bind you to the past

These scars that line my heart  
Will never fade  
They won't go away  
But I've found You  
And when I come to You  
With all these things  
If I could leave this heart of mine

And I feel like I've lost the glow  
I'm begging for the compassion  
I've failed to show

Gone without a home and  
Searching for a way, yeah  
To break the strings that  
Grip your past

(Chorus)

Please show me how  
To leave this all behind me  
Please tell me now  
And show me how  
These are the words that  
Without your understanding  
Cannot move on their own  
I feel so alone  
This place I can't call my home

(Chorus)
