"In Your Eyes"

Visit "[In Your Eyes](#)" on MotoLyrics.com

Love, I get so lost sometimes
Days pass and this emptiness fills my heart
When I want to run away, I drive off in my car
But whichever way I go, I come back to the place you
are

And all my instincts, they return
And the grand facade, so soon will burn
Without a noise and without my pride
I reach out from the inside

In your eyes (In your eyes) The light the heat
(In your eyes) I am complete
(In your eyes) I see the doorway
(In your eyes) To a thousand churches
(In your eyes) The resolution
(In your eyes) To all the fruitless searches (In your
eyes)
(In your eyes) I see the light and the heat (In your eyes)
(In your eyes) I want to be that complete
(In your eyes) I want to touch the light
(In your eyes) The heat I see in your eyes
In your eyes (In your eyes), in your eyes (In your eyes)
In your eyes (In your eyes), in your eyes (In your eyes)

Love, I don't like to see so much pain, no
So much is wasted, and this moment keeps slipping
away
I get so tired, working so hard for our survival
I look to the time with you to keep me awake and alive

And all my instincts, oh, they return
And the grand facade, so soon will burn
Without a noise and without my pride
I reach out from the inside

In your eyes (In your eyes) The light the heat
(In your eyes) I am complete
(In your eyes) I see the doorway
(In your eyes) To a thousand churches
(In your eyes) The resolution

(In your eyes) To all the fruitless searches (In your eyes)
(In your eyes) I see the light and the heat (In your eyes)
(In your eyes) I want to be that complete
(In your eyes) I want to touch the light
(In your eyes) The heat I see in your eyes
In your eyes (In your eyes), in your eyes (In your eyes)
In your eyes (In your eyes), in your eyes (In your eyes)

Love, I don't like to see so much pain, no
So much is wasted, and this moment keeps slipping away
I get so tired, working so hard for our survival
I look to the time with you to keep me awake and alive

And all my instincts, oh, they return
And the grand facade, so soon will burn
Without a noise and without my pride
I reach out from the inside

In your eyes (In your eyes) The light the heat
(In your eyes) I am complete
(In your eyes) I see the doorway
(In your eyes) To a thousand churches
(In your eyes) The resolution
(In your eyes) To all the fruitless searches (In your eyes)
(In your eyes) I see the light and the heat (In your eyes)
(In your eyes) I want to be that complete
(In your eyes) I want to touch the light
(In your eyes) The heat I see in your eyes
In your eyes (In your eyes), in your eyes (In your eyes)
In your eyes (In your eyes), in your eyes (In your eyes)...

In your eyes (In your eyes) The light the heat
(In your eyes) I am complete
(In your eyes) I see the doorway
(In your eyes) To a thousand churches
(In your eyes) The resolution
(In your eyes) To all the fruitless searches (In your eyes)
(In your eyes) I see the light and the heat (In your eyes)
