Silent You remained
Holy lamb of God
As You laid Your life for mine

Perfect sacrifice
On the cross You gave
With Your blood You made a way

Your love has brought me into Your arms.
Your love has shown me the light.
True friend forever, beautiful Savior,
The one who has conquered my heart.

Silent You remained
Holy lamb of God
As You laid Your life for mine

Perfect sacrifice
On the cross You gave
With Your blood You made a way

Your love has brought me into Your arms.
Your love has shown me the light.
True friend forever, beautiful Savior,
The one who has conquered my heart.

All the nations will bow down before You
Every king will fall down at Your glory
Precious name You're the only salvation, Jesus

All the angels in Heaven adore You
All creation will join and with one voice
We will shout exaltations to our King, Jesus

Your love has brought me into Your arms.
Your love has shown me the light.
True friend forever, beautiful Savior,
The one who has conquered my heart.

All the nations will bow down before You
Every king will fall down at Your glory

Precious name You're the only salvation, Jesus

All the angels in Heaven adore You
All creation will join and with one voice
We will shout exaltations to our King, Jesus
