Change me.
Lord, I give You permission.
Change me.
I bow in humble submission.
Anyplace You find less than You in me,
Rearrange, change me.
[x2]

Change me
I need You to

Fill me.
Lord, I give You permission.
To fill me.
I bow in humble submission.
Anyplace You find less than You in me,
Rearrange, fill me.

Use me.
Lord, I give You permission.
Use me.
I bow in humble submission.
Anyplace You find less than You in me,
Rearrange, use me.

Anyplace You find less than You in me,
Rearrange, change me.

I want You to change me
I want You to change me
Change me
