Unrivalled champion
Eternally
Unbridled passion
Sends me to my knees

Innocent ransom
Unveiling grace
Leaving no question
I only breathe to praise

Holy You are
Holy You'll be
Holy You stay the same
As You're ever changing me

Holy Encore, ravishing King,
The one I long for, I can't help lingering
Flawless perfection held by Your gaze
Bare in Your presence, I dare not look away

Holy You are
Holy You'll be
Holy You stay the same
As You're ever changing me

Holy, holy
Holy Lord God almighty You are
Heaven's never ending hymn
Now beholding
Overwhelming glory
You are holy

Holy, holy
Holy Lord God almighty
Heaven's never ending hymn
Now beholding
Overwhelming glory
I am silenced by one glimpse

Holy You are
Holy You'll be

Holy You stay the same
As You're ever changing me

You are ever changing me [x2]
