Until the doors fly open  
Until the walls fall down  
Until the chains are broken  
Until no one is bound  
Until the rocks are silent  
Until the trumpet sounds  
Until I've conquered giants  
And I hold the crown

I will bless the name of Jesus  
The Lamb was slain to free us  
And rose to reign on high,  
King of all Kings!  
I will bless the name of Jesus  
His hand of grace redeemed us  
To praise and glorify  
With everything, I will!

Until the doors fly open  
Until the walls fall down  
Until the chains are broken  
Until no one is bound  
Until Your church is spotless  
Until Your bride is white  
Until we've won the harvest  
And You split the sky

I will bless the name of Jesus  
The Lamb was slain to free us  
And rose to reign on high,  
I will bless the name of Jesus  
His hand of grace redeemed us  
To praise and glorify  
With everything,

I will bless the name of Jesus  
The Lamb was slain to free us  
And rose to reign on high,  
King of all Kings!  
I will bless the name of Jesus  
His hand of grace redeemed us

To praise and glorify  
With everything, I will!

For the Lord He is good  
And His mercy endures forever  
His faithfulness never comes to an end

For the Lord He is good  
And His mercy endures forever  
I will exalt Him with every breath

I know the Lord He is good  
And His mercy endures forever  
His faithfulness never comes to an end

For the Lord He is good  
And His mercy endures forever  
I will exalt Him with every breath

I will bless the name of Jesus  
The Lamb was slain to free us  
And rose to reign on high,  
King of all Kings!  
I will bless the name of Jesus  
His hand of grace redeemed us  
To praise and glorify

I will bless the name of Jesus  
The Lamb was slain to free us  
And rose to reign on high,  
King of all Kings!  
I will bless the name of Jesus  
His hand of grace redeemed us  
To praise and glorify  
With everything, I will!

I will!  
I will!
