All that I am
Responds to all You are
And I feel Your breath
With each beat of my heart
The strength of Your mercy
Draws me to You
You are my pursuit
Now all I wanna do is

Worship You my Lord
Worship You my Savior
Worship You my King
Worship You forever
I could never leave
You will always be
My love yes
My first love

Your holy eyes
Speak without a word
And I feel their fire
Jealously burn
Trophies and idols
Consumed in the flame,
'Til all I hear is You
Whispering my Name

And I worship You my Lord
Worship You my Savior
Worship You my King
Worship You forever and ever

I will worship You my Lord
Worship You my Savior
Worship You my King
Worship You forever
I could never leave
You will always be
My love yes
My first love

Always always always
Always be my...
[x6]
Always
Always be my...
Always be my always

And I will worship You my Lord
Worship You my Savior
I will worship You my King
Worship You forever and ever
I could never leave
You will always be
My love yes
My first love
