Unto You be the glory.
Unto You be the praise.
Unto You let every heart bow down;
Let every hand be raised.
Unto You let all worship rise,
A fragrant sacrifice,
Until every deed and word on earth be unto You.

Ante Ti sacrificio de
El mas fragante olor
Hasta que la tierra y
Todo en ella te adore a Ti

Unto You be the glory.
Unto You be the praise.
Unto You let every heart bow down;
Let every hand be raised.
Unto You let all worship rise,
A fragrant sacrifice,
Until every deed and word on earth be unto You.
