Woke up this mornin' feelin' so bad
Out my window it was rainin'
Didn't even feel like runnin'
I didn't feel like doin' anythin'

Then the phone wouldn't stop ringin'
And my head wouldn't stop poundin'
I feel so down, I don't know why
There's something overwhelmin' me inside

Just one of those days
Just another day
It don't go your way
(And tomorrow can't come soon enough for me)

Just one of those days
(Ooh)
Just another day
It don't go your way
(And tomorrow can't come soon enough)

Gotta get up, any how
I can't afford to lose no hours
Got a deadline that I must meet
Every second matters to me

Hard to function feelin' like this
But I got to keep on goin'
Am I in a huddle to get over
I've got to do things much darker and colder

Just one of those days
(Just one of those days)
Just another day
(Just another day)
It don't go your way
(And tomorrow can't come soon enough for me)

Just one of those days
(Ooh, just one of those days)
Just another day
(Just another day)

It don't go your way
(Tomorrow can't come soon enough for me)

Just one of those days
(Just one of those days)
Just another day
(Just another day)
It don't go your way
(Tomorrow can't come soon enough for me)

Just one of those days
(Just one of those days)
Just another day
(Just another day)
It don't go your way
(And tomorrow can't come soon enough)

Why does it seem
(Like the hours are much longer)
(Like the day just won't be over)
Tell me why do they fly
(When you least expect them)
(Always you can never breathe in those days)

Just one of those days
Just another day
It don't go your way
(Ooh, and tomorrow can't come soon enough for me)

Just one of those days
(Ooh, just one of those days)
Just another day
(Just another day)
It don't go your way

Just one of those days
(Ooh, just another day)
Just another day
(Just one of those days)
It don't go your way
(And tomorrow can't come soon enough for me)

Just one of those days
(Just one of those days)
Just another day
(Just another day)
It don't go your way
(Tomorrow can't come soon enough)

Just one of those days
Tomorrow can't come soon enough for me

Just another day, gotta get up
I've got to do things much darker and colder
Just another day
