I know what you're doin, I see it all too clear
I only taste the same thing, when i kiss away your tears
You really had me goin, wishin on a star
The black holes that surround you, are heavier by far
I believed in your confusion, you were so completely
torn
It must've been that yesterday, was the day that i was
born
There's not much to examine, there's nothing left to
hide
You really can be serious, if ya have to ask me why
I say good-byyyyeeiiii

(Chorus)

'cause i am barely breathin, and i can't find the air
Don't know who i'm kiddin, imaginin you'll care
And i could stand here waiting, a fool, for another day
I don't suppose it's worth the price, it's worth the price,
the price that i would paaaay

And everyone keeps askin, what's it all about
I used to be so certain, now I can't figure out
What is this attraction, I only feel the pain
There's nothing left to reason, and only you to blame
Will it ever chaaaange

'cause i am barely breathin, and i can't find the air
Don't know who i'm kiddin, imaginin you'll care
And i could stand here waitin, a fool, for another day
I don't suppose it's worth the price, it's worth the price,
the price that i would paaay, but i'm thinking it over
anywaaaay, i'm thinking it over anywayyyy yeah
ahhhhh

I've come to find, i may never know
If a changing mind, is a friend or foe
I rise above, i sink below
Every time, you come and go
Please don't, come and gooooo

'cause i am barely breathin, and i can't find the air

Don't know who i'm kiddin, imaginin you'll care
And i could stand here waitin,a fool, for another day
I don't suppose it's worth the price, it's worth the price,
the price that i would paaayy, but i'm thinking it over
anywaaaaay, i'm thinking it over anywayyyy yeahhhh
ahhhh

I know what you're doin, i see it all too clear
