See all I'm gonna do  
Is in my head now  
Today I'll turn the page  
And start again now  
Today I'm gonna grow  
And touch the flame  
I'm gonna be all right  
And change my name

No staring at the clouds  
I'm on the ground now  
Come in and check it out  
You'd better try now  
I'm gonna be all pure  
And maybe brave  
And all of this because  
Right from today...

Chorus  
I believe in me  
Believe in me...

You'll never see me down  
Again in tears now  
And never here me shout  
>From far away, no  
I'm gonna be al close  
I'll make my day  
The sun is on my side  
Tell you again

See all you're gonna do  
Is in your head now  
Today you'll turn the page  
And start again now  
Today you're gonna grow  
And touch the flame  
You're gonna be all right  
And change your name

I'm rising high above you

This time I'm gonna be as big as you (let me)  
This time I'm gonna be cool  
This time I'm gonna prove

Chorus  
I believe in me  
Believe in me
