Caught up in life  
Caught in a mess  
Caught up in time  
Caught up in less than

Caught up in the things  
You only want me to do  
Caught up in not doing  
Things that I like to

I'm caught up in this house  
I need to get out  
Caught up suffocating deadly  
No wonder how

Caught up in a situation  
That's nothing but stressful  
Caught up thinking this time  
I was being careful

How do we get ourselves  
So caught up?  
'Cause when we look back it was  
Never enough

To put up with the foolishness  
Never worth much  
Crazy situations just  
Wreck Heaven

Never what you thought it was  
When you were so caught up  
Never what you thought it was  
When you were so caught up

Caught up in my head  
Caught up in lies  
Caught up in telling myself  
He's still a good guy

Caught up in the way  
The way things looked

Caught up in the holidays  
When we were good, yeah

Caught up in my issues  
Caught up tryna really love this dude  
Caught up in love  
When I was the only one loving

Caught up telling myself  
Everything's okay  
Caught up in this selfishness  
Like every single day

How do we get ourselves  
So caught up?  
'Cause when we look back it was  
Never enough

To put up with the foolishness  
Never worth much  
Crazy situations  
Wreck Heaven

Never what you thought it was  
When you were so caught up  
Never what you thought it was  
When you were so caught up

Caught up, I'm already used to him  
Caught up, who wants to start again?  
Caught up accepting in the end  
Caught up, maybe I'll get a ring

Caught up 'cause he pacified me  
With the things he said  
Caught up being left up, oh  
When he slept in my bed

How do we get ourselves  
So caught up?  
'Cause when we look back it was  
Never enough

To put up with the foolishness  
Never worth much  
Crazy situations just  
Wreck Heaven

How do we get ourselves  
So caught up?  
'Cause when we look back it was

Never enough

To put up with the foolishness  
Never worth much  
Crazy situations just  
Wreck Heaven

Never what you thought it was  
When you were so caught up  
Never what you thought it was  
When you were so caught up
