You have seen it all before in your life
don't make it easier but you tried
there's things that want to go wrong
and I wonder
feel you're not the only one whos alone
sinking just like a stone
but it's hard to know where to go
and I wonder
wait for me today
love let me sway
make me the smile upon your face
I believe you never wanted my love
I believe you never wanted my love
I believe you never wanted
do you want it?
we and all the things we learned to accept
you know, it's easier to forget
fighting though it's so cold
and I wonder
you will see a lot of things in your life
can make it easier if you try
some things just have to go wrong
don't you wonder
wait for me today
love let me sway
make me the smile upon your face
I believe you never wanted my love
I believe you never wanted my love
I believe you never wanted
do you want me
