[Verse 1]

All I wanna do
Is wake up every morning and be happy and be care
free
And all I wanna do
Is love my man and make sure my family is okay
And I wanna sing,
The songs that I write in my head
On a stage , in a big place
And I wanna laugh
Until tears fall down my face and my abs, are aching

[HOOK]

Is that too much to ask for, in my life, to have
Nothing but the sweetest days
Too much, for one, to have
Or is it wishful thinking

[Verse 2]

oh I wanna send

My little brother Solomon to college, with no problem
And how I hope
The children that I sponsor down in Chile
They get the money I send
And I wanna fly
To Paris once a year for a vacation
With my husband
And I hope
The nation stop fighting and find sweet peace,
somewhere down deep

[HOOK]

[Bridge]

I want my soul to fly free
Without a single worry
Fear or anxiety
Could it be possible for all I wish to have

[HOOK]
