I always flirt with death  
I look ill, but I don't care about it  
I can face your threats and  
Stand up straight and tall and shout about it

I think I'm on another world with you, with you  
I'm on another planet with you, with you

You get under my skin  
I don't find it irritating  
You always play to win but  
I won't need rehabilitating

I think I'm on another world with you, with you  
I'm on another planet with you, with you

Another girl, another planet  
Another girl, another planet

Space travels in my blood  
And there ain't nothing I can do about it  
Long journeys wear me out but  
I know I can't live without it

I think I'm on another world with you, with you  
I'm on another planet with you, with you

Another girl is loving you now  
Another planet, is holding you down  
Another planet
