I used to have a notion  
I could swim the lenght of the ocean  
If I knew you were waiting for me

I used to have the notion  
I could swim the lenght of the ocean  
I climb the depths of every sea for you

I'll escape from my chains  
And I'll reach out for you  
Baby, I'm in love with you  
You...

Oh, baby, baby  
I'm in love with you  
I had to contact to you  
Found out I was in love with you  
I had to contact..

That's it, that the law  
That's the whole of the law  
The whole of the law
