"Sleeping Without You"

You're taking this way too serious.
And I'm not even gonna believe it,
what you're seeing in us.
I'm taking it one step at a time.
I'm not trading for hearts for each other.
No, I'd rather resign.
So goodnight sweetheart.
I'm not staying awake another hour
'cause you're just staying away all night.
I'll be sleeping, I'll be sleeping without you.
You've already fit me in your plan.
But I'm not really ready to join you.
Disappoint you again.
So goodnight sweetheart.
