"Nowhere To Run"

Nowhere to run, baby, nowhere to hide
Got nowhere to run to, baby, nowhere to hide
It's not love I'm running from
It's the heartbreak I know will come
Cause I know you're no good for me
But you've become a part of me
Everywhere I go, your face I see
Every step I take you take with me
Nowhere to run, baby, nowhere to hide
Got nowhere to run to, baby, nowhere to hide
I know you're no good for me
But free of you I'll never be
Each night as I sleep
Into my heart you creep
I wake up feeling sorry I met you
Hoping soon that I'll forget you
When I look in the mirror to comb my hair
I see your face just a-smilin' there
Nowhere to run, baby, nowhere to hide
Got nowhere to run to, baby, nowhere to hide
I know you're no good for me
But you've become a part of me
How can I fight a love that shouldn't be
When it's so deep, so deep, deep inside of me
My love reaches so high I can't get over it
It's so wide I can't get around it
Nowhere to run to, baby, nowhere to hide
Nowhere to run to, baby, nowhere to hide
I know you're no good for me
But free of you I'll never be
Nowhere to run to, baby, nowhere to hide
Just can't get away from you baby, no matter how I try
